- Click 'Save Changes' to update your company logo. The added logo will be reflected in the account

Customize reports

Dragon Platform reports contain a logo in the header and support/contact details in the footer. This section lets you provide the logo and support details shown in these reports.

- The Dragon Enterprise logo should be switched with your uploaded company logo. The Dragon Platform logo is shown on reports if you don't upload your own
- All reports should include your company logo. (it should be added to all pdf reports under the "Managed Security -> Reporting" section). Previously generated reports are not going to be changed.
- If any of the fields is empty, it should not be shown. If all of the address fields are empty, nothing will be shown. The footer is blank if you don't supply support/contact details

Click 'Save Changes' to reflect your changes. You will get a success message that your company successfully.
